

PRIVACY STATEMENT

EVTRetail.com and EVTSolutions.com

EVT Solutions, Inc. is committed to protecting your privacy. This privacy statement explains data collection and use practices of the www.evtretail.com and www.evtsolutions.com sites (the "Sites"). By accessing either site, you are consenting to the information collection and use practices described in this privacy statement.

Collection of your Personal Information

We will ask you when we need information that personally identifies you (personal information) or allows us to contact you to provide a service or carry out a transaction you have requested such as receiving information about the EVTRetail™ products and services, purchasing an EVTRetail™ product, joining the EVTRetail mailing list, or when downloading and/or registering EVTRetail™ products. The personal information we collect may include your name, title, company or organization name, work e-mail, work phone, work or home address, information about your job function, information about your company, and credit card information.

EVT Solutions may collect certain information about your visit to EVTRetail.com or EVTSolutions.com, such as the name of the Internet service provider and the Internet Protocol (IP) address through which you access the Internet; the date and time you access the Sites; the pages that you access while at the Sites and the Internet address of the Web site from which you linked directly to our sites. This information is used to help improve the sites, analyze trends and administer the site.

Use of your Personal Information

The personal information collected on these Sites will be used to operate the Sites and to provide the service(s) or carry out the transaction(s) you have requested or authorized.

In support of these uses, EVT Solutions may use personal information to provide you with more effective customer service, to improve the Sites and any related EVTRetail™ products or services, and to make the Sites easier to use by eliminating the need for you to repeatedly enter the same information or by customizing the Sites to your particular preference or interests.

Additionally, with your permission, we may send you information about other EVTRetail™ products and services, and/or share information with EVT Solutions partners so they may send you information about their products and services.

When you sign up for a newsletter or agree to receive promotional e-mail, EVT Solutions may use customized links or similar technologies to track e-mail links that you click. We may associate that information with your personal information in order to provide you more focused e-mail communications or purchase information. Each e-mail communication includes an unsubscribe link allowing you to stop delivery of that type of communication.

EVT Solutions may disclose personal information if required to do so by law or in the good faith belief that such action is necessary to (a) conform to the edicts of the law or comply with legal process served on EVT Solutions or the Sites; (b) protect and defend the rights or property of EVT Solutions and our Web sites; or (c) act in urgent

circumstances to protect the personal safety of EVT Solutions employees or agents, users of EVTRetail products or services, or members of the public.

Control of your Personal Information

Except as otherwise described in this statement, personal information you provide on the Sites will not be shared outside of EVT Solutions and affiliates without your permission.

EVTRetail.com or EVTSolutions.com may send out periodic e-mails informing you of technical service or security issues related to a product or service you requested, or confirming you requested a product or service. In some services offered by EVT Solutions, contact with the customer is an intrinsic part of the service. You will not be able to choose to unsubscribe to these mailings, as they are considered an essential part of the service(s) you have chosen.

Sharing Personal Information

Information about our customers is an important part of our business, and we are not in the business of selling it to others. We share customer information only as described in this Privacy Statement and with partners or subsidiaries EVTRetail.com or EVTSolutions.com controls that either are subject to this Privacy Statement or follow practices at least as protective as those described in this Privacy Statement.

Affiliated Businesses We Do Not Control: We work closely with our Reseller Partners and Service Provider Partners. In some cases these businesses are value added resellers of EVTRetail™ products and services. In other cases, they provide consulting services or are an ASP/ISV service partner. [Click here](#) for some examples. You can tell when a Reseller Partner or Service Provider Partner is involved in your transaction, and we share customer information related to those transactions with only that partner.

Resellers: We license other companies and individuals to perform functions on our behalf, primarily to resell EVTRetail™ products and services. They have access to personal information only to the extent needed to perform their function, but are restricted by their license agreement not use it for other purposes.

Business Transfers: As we continue to develop our business, we might sell or buy subsidiaries or business units. In such transactions, customer information generally is one of the transferred business assets but remains subject to the promises made in any pre-existing Privacy Statement, unless the customer consents otherwise. Also, in the unlikely event that EVTRetail.com or EVTSolutions.com or substantially all of its assets are acquired, customer information will of course be one of the transferred assets.

Protection of EVTRetail.com, EVTSolutions.com and Others: We release account and other personal information when we believe release is appropriate to comply with the law; enforce or apply our [Conditions of Use](#) and other agreements; or protect the rights, property, or safety of EVTRetail.com or EVTSolutions.com, our users, or others. This includes exchanging information with other companies and organizations for fraud protection and credit risk reduction. However, this does not involve selling, renting, sharing, or otherwise disclosing personally identifiable information from customers for commercial purposes in violation of the commitments provided in this Privacy Statement.

Privacy of Children

EVTRetail.com or EVTSolutions.com network of sites is not directed to children under the age of 13. We operate our network of sites in compliance with the Children's Online Privacy Protection Act and do not permit registration by, and will not knowingly collect or use personally identifiable information from, anyone under 13 years of age.

Protection of Minors

This Site is not intended for or directed to persons under the age of 18. Neither EVTRetail.com nor EVTSolutions.com sells products for purchase by children. EVTRetail.com and EVTSolutions.com sell products for purchase by adults. By registering with this web site, purchasing products or services from EVTRetail.com or EVTSolutions.com or providing EVTRetail.com or EVTSolutions.com with any information, you represent to EVTRetail.com or EVTSolutions.com that you are 18 years of age or older and that any information you provide to EVTRetail.com or EVTSolutions.com about a third party is for a third party that is 18 years of age or older.

Security of your Personal Information

EVT Solutions is committed to protecting the security of your personal information. We use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure. For example, we store the personal information you provide on computer servers with limited access that are located at a secure and controlled InterNap Data Center. Additionally, when we transmit sensitive personal information (such as a credit card number) over the Internet, we protect it through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Use of Cookies and Web Beacons

We use cookies on the Sites to ensure the integrity of the registration process and to personalize the Sites. A cookie is a small text file that is placed on your hard disk by a Web page server. Cookies are uniquely assigned to you, and can only be read by a Web server in the domain that issued the cookie to you.

Web beacons, also known as clear gif technology, or action tags, may be used to assist in delivering the cookie on our sites. This technology is a tool we use to compile aggregated statistics about EVTRetail.com and EVTSolutions.com Web site usage, such as how many visitors clicked on key elements (such as links or graphics) on the sites, blog or a newsletter. We may share aggregated site statistics with partner companies.

We may use third-party advertising companies to serve ads on our behalf. These companies may employ cookies and action tags to measure advertising effectiveness. Any information that these third parties collect via cookies and action tags is completely anonymous.

Changes to this Statement

We may occasionally update this privacy statement. When we do, we will also revise the "last updated" date at the top of the privacy statement. For material changes to this privacy statement, we will notify you either by placing a prominent notice on the home page of our Web site or by directly sending you a notification. We encourage you to periodically review this privacy statement to stay informed about how we are helping to protect the personal information we collect. Your continued use of the service constitutes your agreement to this privacy statement and any updates.
